## Canopy

Vitabri, innovation driven by simplicity.

Our structures are used over and over again in all situations and for all occasions and guarantee the highest level of security.

With a Vitabri canopy, you are sure to be in front of the competition.

**NEW MODEL**

model : 10ft x 10ft V2

Crestal Roof
10ft x 10ft - 143 inches
10ft x 15ft - 143 inches
13ft x 13ft - 171 inches
16ft x 16ft - 212 inches

At truly cutting edge technology, Vitabri has adapted innovations on a structure designed for optimal mobility and a reduced size.

New patented foot profile, anodizing aluminum, assistance system for deployment and extensive range of textiles are features that allow the V2 to take a step ahead of its competitors.

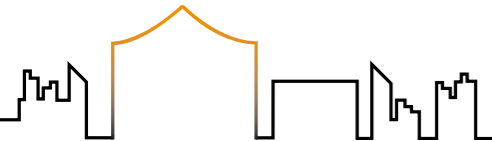

**I.S.D. wheel :**  
New removable small wheel for a comfortable transport.

**E.A.V. :**  
compressed gas assisted Jacking system for ease of deployment.

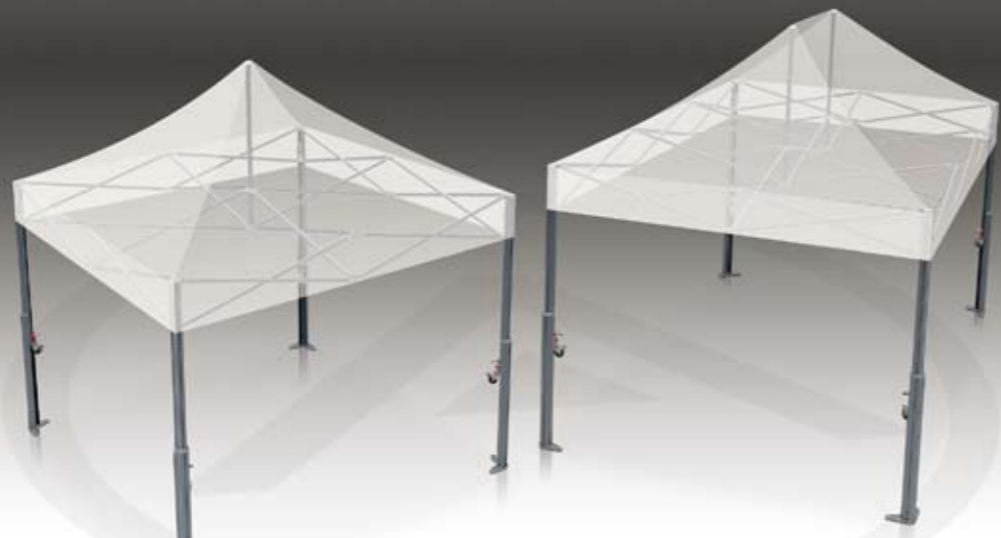

New X-crosses strengthened in 6 points to get always more security.

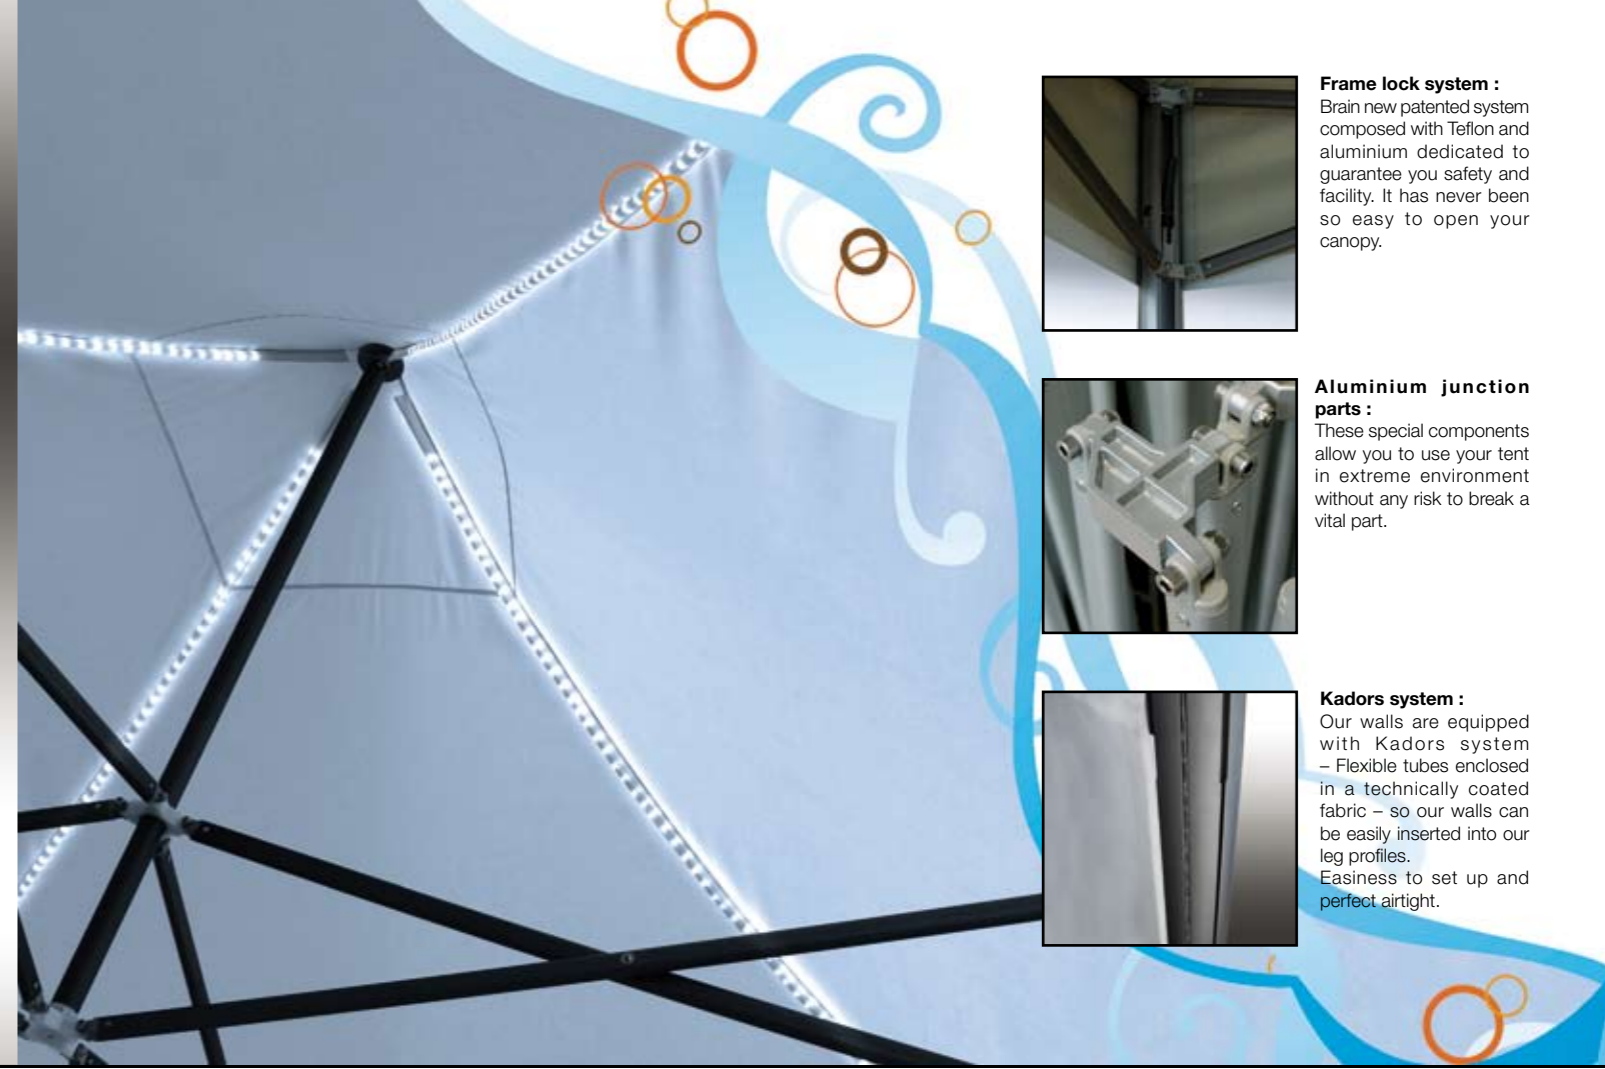

## Sizes

With its dimensions (from 100 sq ft to 270 sq ft), the Vitabri V2 will be able to answer to your different needs.

**square**  
3 dimensions  
10ft x 10ft    100 sq ft  
13ft x 13ft    169 sq ft  
16ft x 16ft    256 sq ft

**rectangle**  
1 dimension  
10ft x 15ft    150 sq ft

**Frame lock system :**  
Brain new patented system composed with Teflon and aluminium dedicated to guarantee you safety and facility. It has never been so easy to open your canopy.

**Aluminium junction parts :**  
These special components allow you to use your tent in extreme environment without any risk to break a vital part.

**Kadors system :**  
Our walls are equipped with Kadors system – Flexible tubes enclosed in a technically coated fabric – so our walls can be easily inserted into our leg profiles. Easiness to set up and perfect airtight.

square rectangular 

Hardiness, robustness and lightness, the V3 is the most successful canopy of its generation. In constant evolution, our tents become an integral part of your activity.

Today the range and series of the V3 will always answer your needs.
